PROFILE

NASM-certified Fitness Coach.I bring expert-level biomechanical insight to the 40+ demographic, focusing on restoring range of motion and "bulletproofing" joints against the demands of daily life. I have a proven track record of successfully guiding clients through the gap between physical therapy and the weight room, utilizing strength training and corrective protocols to prevent re-injury and promote long-term mobility.

WORK EXPERIENCE

Private Wellness Coach & Personal Trainer
May 2021 – Present

- Design and implement personalized functional fitness programs for adults over 40, focusing on core stability, mobility, and strength.
- Manage comprehensive wellness plans including nutrition guidance and lifestyle coaching using smart health technology (Etekcity ecosystem).
- Successfully coached high-profile clients, including the lead singer of The Mavericks, ensuring peak physical condition for demanding tour schedules.

Tour Manager | The Mavericks
January 2023 – December 2025

- Oversee logistics and operations for a world-renowned touring band, demonstrating high-level organization, leadership, and crisis management.
- Integrated fitness and wellness practices into the touring environment to maintain team health and performance.
